

Have you ever ordered a product from the United States thinking that it would be less expensive than buying it locally in Canada?

Every day people order products from the USA thinking that they are going to pay less and are shocked when they receive a bill from Canada Customs stating that they owe additional taxes, customs, tariffs, and something called *Brokerage Fee's*

All of our products at DESKMOVERS.CA are warehoused in Canada. Your benefit is that there are no hidden fees to pay when the product arrives at your door.

- No Brokerage Fees
- No Canada Customs Fees
- No exchange rate mark-ups from your credit card
- No Duties or Tariffs to pay
